Dr. Emelda Walsh

Community Hospital of San Francisco
San Francisco, CA 94150

Dear Dr. Walsh,

As a recent graduate in the field of medicine, I was pleased to see an opening for a Medical Technician at your hospital.

My experience in the field of health began in 1994 when I were a volunteer for the childrens' cancer ward at Grossmont Hospital. For the last five years I been working as a medical technician for the San Diego Hospital.

I recognize and greatly admire the work that the Community Hospital of San Francisco has been doing since its start in 1908. I look forward to speaking with you regarding my qualifications.

Sincerely
Antonio Brainsworthy

"I've been working on this letter all day," Antonio said with exasperation. "I hope my six years of experience in the field of health will be enough to get my foot in the door."
